Dear Sir:

IN THE SPECIFICATION

Please replace the first paragraph following
the Summary Of the Invention heading beginning on page 3
with the following paragraph:

--In accordance with one aspect of the present
invention, an integrated signal isolator has first and
second ends and comprises first and second isolator input
terminals, first and second isolator output terminals,
first and second power supply terminals, first, second,
third, and fourth magnetoresistors, and an input strap.
